

# NEED A VIDEO EDITOR? LOOK NO FURTHER!

**Hi there!**

My name is **Megan White**. I'm a freelance **video editor** and would be so excited to have the opportunity to serve you and your business!

To share a bit about myself: I've been editing for about 10 years and in the world of film for about half of that. For the past five years, I've been working with several popular YouTube channels (The Abundant Traveler, Brooklyn & Bailey, Cute Girls Hairstyles, KidCity, K-City Gaming, and more!), editing multiple videos every week that reach millions of viewers.

You can find a few examples of how I edit for YouTube specifically here:

In addition to social videos, I also have experience editing for live TV, pre-recorded episodic television, and pitch videos. Recently, I've started my own YouTube/TikTok/Instagram accounts under the name [@thecuriosityhive](#). I touch every aspect of these videos from idea to scripting to edit to upload.

Here's how I'd help you: I'm a fast and crazy organized editor, love what I do, and above all else, I have a passion for doing anything I can to make sure things are easier for those I serve and work alongside.

**TLDR; I live to serve and love to do it!**

Thank you so much for your time!

Megan White
